

BONALDO

Groove

Designer: Mauro Lipparini

The elements of the system have been designed with a focus on the linear, graphic purity created by the wooden modules that form the drawers, sides and top, resting on a metal structure that serves as a base. The simple geometry

of the modular elements emphasises their practical function: this is mainly the case with the grooves on the front section, which are particularly highlighted by the design and serve as handles without being visible.

Data sheet

Bedside table with one drawer

Width: 52cm
Depth: 46cm
Height: 42cm

Bedside table with two drawers **Drawer chest**

Width: 70cm
Depth: 46cm
