

BONALDO

Squaring

Designer: **Giuseppe Viganò**

The Squaring bed with headboard is an example of architecture for relaxing that emphasises the modernity of the geometric shapes and avant-garde execution techniques. With a completely removable cover available in fabric, leather or eco-leather, it can be placed at the centre of the room due to its particular design. The modern bed reaches its

maximum expression in the version with the side unit, thanks to which a real oasis of relaxation is obtained. Numerous versions are available in terms of the sizes and configuration of headboard and bed frame, in order to offer the utmost in personalisation. The sleeping area can be completed, finally, with poufs and a bench coordinated with the bed.
