

BONALDO

Youniverse

Designer: Mauro Lipparini

A high, padded headboard that, at the edges, delicately folds inwards like a screen. The structure contributes to a visual effect of great comfort: Youniverse is a double bed with a dreamy, romantic character, which leaves the maximum space to the user and their dreams. Designed and made with great artisan skill, it is distinguished by the large volumes of the headboard and the vertical

stitches that elegantly decorate it. Youniverse is available with cover in leather, eco-leather or in fabric, removable in all three versions. In the Youniverse open version, the practical storage enables precious additional space to be gained for storing covers, cushions and everything necessary for the bedroom.
