

BONALDO

Campo single bed

The Campo bed, available in double or single versions, stands out for the soft, padded headboard that adapts comfortably to the body positions. A bed for living and appreciating its sartorial value: Campo is made of fabric, leather or eco-leather and decorated on the edges by precious blanket stitching, which can be tone-on-tone or in contrast with the cover, which is completely

removable. In the version with storage (Campo open), precious additional space can be gained for storing covers, cushions and everything necessary for the bedroom. The Campo easy open version is furnished with a convenient storage and also a double-action mechanism that allows the bed level to be completely raised to facilitate making and cleaning the bed.
