

designer: Stefano Conficconi

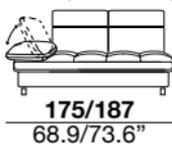

corner sofa with a wooden seat frame supported by elastic belts. The seat cushions are made of polyurethane foam divided into squares chambers. The backrests have a wooden frame and are equipped with a mechanism that allows two comfort positions (two different seat depth). The back cushion is padded with polyurethane foam. The adjustable arm rests have a metal frame padded with polyurethane foam and hypoallergenic goose-down. The legs are in black chromed metal available also polished.
